Someone Else Intermediate Grades

Design your own helmet

Ask the Experts

Here are a few questions from bike riders.

Be the safety expert and give them your best advice:

Dear Expert,

My friends and I like to go places together on our bikes. What is the best way for the four of us to ride together.

Confused Carla

Dear Confused,

_____ the Expert

Dear Expert,

I wear my bike helmet when I ride my bike, but how do I know if I am wearing it properly?

Gear Up Gary

Dear Gear Up,

_____ the Expert

Dear Expert,

Last week my friend's bike had a flat tire. She wanted me to give her a ride on my bike to get it fixed. Is that safe?

Safety First Shalonda

Dear Safety First,

Bike safety knowledge

SAFE KIDS are no accident!

Cut apart these cards and give to student groups to role play or discuss in groups.

You are going for a bike ride with your friends. One friend does not want to wear a helmet. Convince this person to wear a helmet.

Your older brother had a serious bike accident. Explain to your friend what happened.

Explain to someone what happened to Danny in the video and why.

Pretend you are Danny. Explain to your friends what life is like for you since you were injured.

Your friend's sister is wearing her bike helmet wrong. Explain to her how to wear it.

Teach a friend how to safely ride a bike in your neighborhood.
